

Brushless Mini Angle Grinder Kit
115mm-20V

8901K

- High performance brushless motor delivers up to 8500 no-load of speed in RPM
- Light-weight, ergonomic mini angle grinder suitable for precise applications
- Soft start switch system that ensures the safety of operation
- Anti-restart function prevents accidental start-up
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Special slim body design for ideal handling and higher working performance
- Electronic current limiter for overload protection
- 2 positions anti-shock ergonomic side handle which promoting easy work and perfect machine control in different range of operator movements
- Battery charging indicator lets you know the battery level fast and easy
- Fast charging system in charger provides optimum performances

Model	8901k
Battery Voltage	20V
Battery Chemistry	Lithium
No-load Speed	8500RPM
Wheel Diameter	115mm
Spindle Size	M14
Bore Diameter	22.23mm
Weight	1.65kg
Supplied in	BMC
Includes	Two 4Ah/20V batteries, 1Fast charger
