

Hex Key Set

RH-2010

- Different sizes of long and short arm hex keys to cover all your requirements
- Black oxide finish protects against corrosion
- Long/short-arm design offers extended reach on one end and extra leverage on the other
- Made of Chrome-Vanadium steel for rugged strength and more durability
- Hardened ends for extra high torque during operations
- Hex ends are square-cut for a secure full-depth fit and maximum contact with the hex socket to prevent slippage and stripping of the socket
- High-quality, professional tools ideal for different kinds of applications
