

Hex and Torx Key Set

RH-2052

- A complete set of long arm keys in different applicable sizes suitable for a wide range of applications
- Different sizes of hex & torx keys which can cover all your requirements
- Long arm design offers extended reach on one end and extra leverage on the other
- Made of chrome-vanadium steel for rugged strength and more durability
- Hardened ends for extra-high torque during operation
- Hex ends are square-cut for a secure full-depth fit and maximum contact with the hex socket to prevent slippage and stripping of the socket
- High quality, professional tools ideal for different kinds of applications
- Unique hinged storage box opens flat for easy access to the keys and has a high-visible dimension marks for a quick selection of dimensions
