

High Pressure Washer
160Bar-2000W

RP-U161

- Professional heavy-duty 2000W carbon brush motor provides strong power that generates maximum water pressure for extreme cleaning power
- Total stop system automatically shuts off pump when trigger is not engaged and self-suction function helps to ensure motor's long life and also to save energy
- Built-in thermal protector controls the temperature of the motor during longtime working
- Professional high pressure gun for better functionality and more convenience
- Ergonomic new design provides easy movement and brings more comfort in different cleaning tasks
- With wheels and handles for easy movement
- Equipped with both nozzles which manufactured from high-quality raw material that let you easily control spray angle in different cleaning tasks
- Built-in detergent tank for extra cleaning power and reducing cleaning time
- Automatic hose connector for easy and fast set up and quick inserting and removing of the hose
- On-board hose reel for easy storage and quick winding and unwinding
- Suitable for heavy-duty industrial usages
- Rotary On/Off switch for convenient use
- 5-meter high-quality PVC pressure hose for more durability and higher efficiency
- Tempered stainless steel plunger easily unchokes the dirt stuck in the nozzle

Model	RP-U161
Power	2000W
Motor Type	Carbon brush
Max Pressure	160 Bar
Max Rated Flow	6L/Min
Frequency	50Hz
Voltage	220V
Weight	9.4kg

Dimension	35*31.8*70.2cm
Supplied in	Ronix color box
includes	Includes Quick connector, Water inlet nut, Adjustable lances made of the best material, extra turbo lance, 5-meter high pressure hose, High pressure ergonomic gun, 5-meter power cord, Hose reel
